Moda Cafe & Restaurant - Chantilly, Virginia

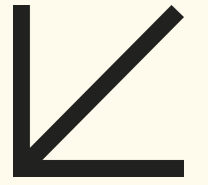

The Cedars and Dogwoods fundraiser brought together friends, family, and our local community in support of the Lebanese Red Cross. The cedar, a symbol of Lebanon, and the dogwood, rooted here in Virginia, reflect the connection between where we come from and where we are today. Though many of us are far from home, we remain deeply connected, and through this event, we raised funds to provide essential aid and support to those who need it most.
